

REDUCE • REUSE • RECYCLE
LIFE'S TOO SHORT TO WASTE

CALEDONIAN HORTICULTURE

PRICE LIST

We produce a range of peat-free horticultural products at our composting sites in South-East Scotland.

Available in small bags for gardens and allotments, builders bags for landscaping and lorry loads for remediation projects. We are open to the public, or can deliver across the Central Belt and Scottish Borders.

*Whether you want a better lawn, healthier plants or are starting your garden from scratch, the **Caledonian Horticulture** range can help you build a garden to be proud of*

0131 339 5554 | www.caledonianhorticulture.co.uk

OPENING HOURS - Monday to Friday

Summer Hours: March - October 7.30am - 5pm

Winter Hours: November - February 7.30am - 4pm

RAISED BED KITS

Our raised bed sleeper kits are made from local sustainably sourced wood and come with the perfect blend of our renowned peat-free Green Goodness and high-quality Topsoil to make sure your veggies and plants get all the nutrients they need. Standard or custom sizes available starting from £90.

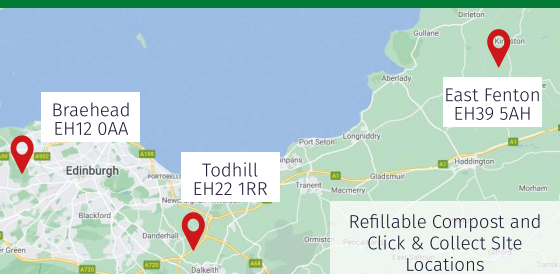

CALEDONIAN COLLECTIONS

We drop a builders bag off at your house and when your bag is full of garden clippings and grass cuttings simply get in touch with us and we will arrange to collect it at a convenient time.

COLLECTIONS ONLY AVAILABLE TO EH POSTCODES

REFILLABLE COMPOST

A 50L reusable bag filled with our **Green Goodness** soil improver that can be brought back and refilled at our sites. You can fill the empty bag with your garden clippings which you can dispose of at our sites for free when coming for a refill. **INITIAL PRICE £5, REFILLS £3.**

ONE PLANET PLEDGE

We care deeply about the world we live in and are committed to becoming a business with a positive environmental and social impact

Fuel Offsetting – We contribute 2p/litre of diesel used by our vehicles and machinery towards carbon offsetting projects

Tree Planting – We plant A tree for every bag of firewood sold

Giving back – From beach cleans and charity fundraisers, to introducing milk carton recycling in schools, we will continue giving back to our local community to benefit both future generations and the environment
